BENEFITS: The major benefit of a Non-working membership in the Aztalan Cycle Club is the ability to use the clubgrounds on all open riding days. Non riding days will be announced. No work is required of the member.

RESPONSIBILITIES: You are expected to be a good member of the club, to obey all the club rules, and to carry your card and key with you while you are at the clubgrounds. You are to lock the gates immediately after entering and exiting. You may not bring a guest to the grounds except on race day. Non-Working members will pay the admission gate fees at all Aztalan club race events. The \$35 initiation dues are only for the first year of membership.

I, the undersigned, do hereby apply for a non-working membership in the Aztalan Cycle Club, Inc. I understand that I/and or my family must have the membership card and key while on the club grounds. I am aware of the club policies and rules as found in the "member packet". I know that the above named club is a Corporation under the laws of the State of Wisconsin. I have read the benefits and rules of the Aztalan Cycle Club (refer to the member packet provided via download - this is YOUR responsibility). I agree to adhere to all rules and understand that my failure or my family's failure to do so will result in our family's expulsion from the club.
